

INTERNSHIP – INNOVATION / DESIGN MANAGEMENT

MIND FACTORY
by ECCO

Would you like to work in an enterprenuerial and innovative environment? At MIND FACTORY by ECCO we currently offer an internship with focus on supporting our entrepreneurial and innovative activities for different taget groups.

What is MIND FACTORY by ECCO?

MIND FACTORY by ECCO is a innovatorium in Tønder, which aims at supporting young people and local business to be more creative and innovative. Read more on www.mindfactorybyecco.dk.

What Tasks Can You Work on in MIND FACTORY:

- Developing and market offerings for the public to use the innovatorium
- Support a regional project aiming at bringing more innovation from universities to local businesses
- Support entrepreneurial activities for students

About You:

You have a background in innovation, entrepreneurship or design management and are interested in working in a small, dynamic working environment with many stakeholders. You are Danish or English speaking on a professional level.

The practical stuff:

You will work phycially in the house in Tønder, and some of the tasks can also be solved from your home office. You will use your own pc. We pay your transportation costs to and from Tønder.

Application: Send a CV to manager Anne-Sofie Dideriksen at info@mindfactorybyecco.dk and we will contact you – and you are more than welcome to call and hear more on +45 2371 3599.

If you want to test all the theories from your field of studies, I can only recommend MIND FACTORY by ECCO! You will work independently on your own projects and be a integrated part of the company,

Annemette Kjær, intern from International handel og markedsføring, IBA Kolding
